**Hiring Event for our Supportive Services for Veteran Families program will be held in December 2023. Multiple positions available with early January 2024 start date. Please submit your resume. Qualified applicants will receive an email invitation to the event.**

*Our Mission is to permanently rehouse individuals and families experiencing homelessness into decent, affordable places to live and thrive. To offer housing options and collaborate with community and human service organizations to provide ancillary services that promote personal and economic self-sufficiency.*
