

Boys State is in dire need of applicants for the **Boys State** Program. At present (13 April 2025), the Department of Georgia has only a few applications right now. Generally, the count is significantly higher by this time of the year (mid-april). As we move into the rest of April, let's get those applications submitted. The Department of Georgia is counting on the District Commanders to bring into fruition another dynamic and successful year of **Boys State**.

Application information is available on the website at <https://www.dogboysstate.org/>. Broadcast and publish **Boys State** 2025. Who knows, one of the young men from your District could "**Be The One**" to represent the Department of Georgia as part of Boys Nation 2025-2026. Georgia needs about 300+ young men to make an impact. Thank you to the districts doing their due diligence.

If you have questions or concerns or require further instructions or assistance, please contact the **Boys State** Director, Bob Beauchamp at 229-938-9352 and/or Vice Commander Thomas Pinkney at 706-414-4765. Their emails are on the "CC" line.
